PINK PAWS

TEAM!

Saint Francis Health System is now accepting applications for our pet therapy program.

Saint Francis Health System is recruiting volunteer dogs and handlers for the Pink Paws pet therapy program. Pink Paws teams visit patient and staff areas throughout the entire Saint Francis Health System on regularly scheduled visits, for special needs and events.

REQUIREMENTS:

Dogs and handlers must hold an Alliance for Therapy Dogs certificate, and have proof of pet liability insurance. A Canine Good Citizen certificate is preferred but not required.

Handlers will be onboarded as a Saint Francis volunteer, attend an orientation and be willing to serve at least one day a month for up to two hours, based on available assignments. Teams will be provided uniform shirts, vests and badges and receive the same perks as traditional Saint Francis Health System volunteers.

Interested individuals are encouraged to apply online at saintfrancis.com/volunteers.

Please indicate on the application an interest in joining the Pink Paws team.

We are pawstive you will love it!
